Cooperative Agreement

NASA USE ONLY
PURCHASE REQUEST NO. R-0230(01 & 02)
APPROPRIATION SYMBOL 809/00108
PPC WX

NASA-Ames Research Center

Moffett Field, CA 94035-4000

The National Aeronautics and Space Administration hereby awards Cooperative Agreement:

No. NCC 2-648 in the amount of $ 36,000.00

to *(Name and address of Institution)* American Technology Initiative for Aerospace Research, Technology Transfer and Commercialization

Menlo Park, CA 94025

for *(Title)* "Research on Mechanisms for the Facilitation of Joint Sponsored Research Projects between NASA, Academia and Industry"

under the direction of *(Principal Investigator)* David B. Lloyd

for a period of approximately Two (2) months beginning about October 1, 1989

The NASA Technical Officer for this Cooperative Agreement is:

Victor Peterson
(Name)

Aerophysics Directorate, 200-4
(Address)

(415) 694-5065
(Phone)

Proposal and budget have been approved for $365,963 and 12 months (10/1/89-9/30/90). The balance is contingent upon the availability of funds.

This Cooperative Agreement is awarded to support basic scientific research pursuant to P.L. 97-258(31 U.S.C. 6301, et seq.)and will be administered in accordance with the *"NASA Provisions for Research Grants and Cooperative Agreements,"* attached hereto and incorporated herein, and in conformity with any appended *"Special Conditions"* or other written understandings between NASA and the recipient relating to this Cooperative Agreement.

Supplement No. -

Special Conditions

The Special Conditions Shown Below Are Applicable To This Award

REPORTS SUBSTITUTION

Technical reports may be substituted for the required semi-annual Status Reports. The title page of such reports shall clearly indicate that the substitution has been made, showing the period covered by the originally required status report.

INTEREST BEARING ACCOUNTS (April 1987)

Advances of federal funds shall be maintained in interest bearing accounts. Interest earned on federal advances deposited in such accounts shall be remitted to NASA promptly, but at least quarterly, as instructed by the Financial Management Office of the NASA installation which issued the grant. Interest amounts up to $100 per year may be retained by the recipient for administrative expense.

DEBARMENT AND SUSPENSION AND DRUG-FREE WORKPLACE (MARCH 1989)

NASA grants and cooperative agreements are subject to the provisions of 14 CFR 1265, Governmentwide Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants), unless excepted by paragraphs 1265.110 or 1265.610. The certifications required by that regulation must also accompany extension proposals.
